

InterFuse® Treatment Cream FACE & NECK

Our cutting-edge approach to collagen in this peptide-rich formula.

BEFORE

AFTER 4 WEEKS TWICE-DAILY APPLICATION*

BEFORE

AFTER 4 WEEKS TWICE-DAILY APPLICATION*

INTENDED FOR

Skin sagging, lines and wrinkles.

BENEFITS

- Uses proprietary delivery technology, to drive a unique messenger peptide blend to help bring the look of firmness back to the skin.
- A blend of messenger peptides targets the nourishment of five types of collagen, all critical to skin density.
- Firms the feel of the skin for a more lifted and contoured appearance.
- Offers an immediate smoothing effect from a neuro-calming peptide.
- Provides a breathable layer of moisture, through an exclusive blend of hydrating ingredients, to give skin a radiant glow.
- Can also be used on the neck for improved resiliency of the skin.
