

AlphaRet[®] Overnight Cream FACE

The NEW gold standard in skin rejuvenation.

FEATURES & BENEFITS

- Significantly reduces the appearance of wrinkles in as little as four weeks, with little-to-no irritation
- Results in fewer visible lines and wrinkles
- Provides moisture to help counteract the dryness associated with traditional retinol-based products
- Helps to soothe and calm skin
- Provides protection against free radical damage

HOW TO USE

- Apply a thin layer over the face at night
- Not suitable for use around the eye area
- For all skin types
- For lines, wrinkles, uneven tone and texture
- Use of sunscreen is recommended daily
- AlphaRet[®] Overnight Cream FACE contains a topical retinoid
- We recommend you consult your physician before use if you are pregnant, lactating or planning to become pregnant

KEY INGREDIENTS

AlphaRet[®] – Delivers maximum retinoid efficacy with little-to-no irritation

Glycolic Acid – Helps retexturize the skin to increase efficacy of AlphaRet[®]

Blend of three unique peptides – Promotes wrinkle-smoothing and improves tone and elasticity

Bisabolol and Portulaca Extract – Help reduce the appearance of redness and calm the skin

Antioxidants (Green Tea, Co-enzyme Q10 and Vitamin E) – Provide protective benefits

Sodium PCA and Hyaluronic Acid – Provide moisturization benefits

Alto Defense Serum[™] FACE

InterFuse[®] Treatment Cream EYE

Hydration Boosting Cream FACE

Even Tone Correcting Serum[™] FACE

Skin Rejuvenating Trio
